

APPROVED LOAN BROKER AND ORIGINATOR EDUCATION VENDORS AND COURSES

July 1, 2009

NOTE:

If you are an education vendor and wish to be included on this list submit a properly completed Application for Approval of Loan Broker Academic Instruction Course (State Form 53272) to the Indiana Securities Division, 302 W. Washington Street, E-111 Indianapolis, IN 46204. The application form may be downloaded from the Division's website: www.sos.IN.gov. The application cover page lists the materials you must submit for consideration of course approval. Upon approval or denial, the Securities Division will notify the applicant of the Securities Commissioner's decision.

If you are a loan broker, principal manager, or originator applicant and have completed or wish to complete a course that is not on this list, you may submit the course materials to the Securities Division for approval. The submitted course materials must contain a detailed outline such as a table of contents or syllabus for the course, the approximate time of academic instruction spent on each topic, the contact information for the education vendor, and a nonrefundable course fee of **\$100.00 plus \$10.00 for every credit hour over six hours** payable to the Indiana Secretary of State. Upon approval or denial, the Securities Division will notify the applicant of the Commissioner's decision.

The approval of an education vendor does not, in any way, constitute an endorsement by the Securities Division or Commissioner of a particular vendor or course.

key:

NAME OF VENDOR

address

phone number

website (if available)

name of course (hours approved) – type of course

* following the course entry means the course may be used to fulfill the one hour Indiana loan broker law requirement

** following the course entry means the course may be used to fulfill the two hour federal loan broker law requirement

*** following the course entry means the course may be used to fulfill both the one hour Indiana loan broker law requirement and the two hour federal loan broker law requirement
